JUNE 15 THROUGH June 19, 2009

Discovery will hold a pre-camp Swim Camp from June 15 to June 19. Swim Camp will provide the opportunity for children to enjoy swimming after a long winter. Each day there will be up to two hours of swimming. Most days children will have a swim lesson, sometimes they will have more than one lesson. Sports, arts & crafts, a cook out, field trips, and other camp activities will round out the program. Enrollment is limited and available on a first come, first serve basis.

Swim campers enjoy meeting the Discovery Day Camp staff and interacting with them throughout the week. While swim campers attend camp, staff attends staff training for the summer.

There is no bus service during swim camp. Campers can attend camp from 9 to 3 each day or for the extended day (7:30 AM to 6:00 PM). There will be no afternoon extended day on Friday due to our annual Open Camp. Parents are invited to pick up their campers at 3PM Friday June 19 and meet the staff.
