Parent Information Meeting

Parents of all first year campers are invited to camp for an informational meeting Thursday, April 28 or Wednesday, May 4 at 7:00 P.M. The purpose of this adult-only meeting is to provide information about topics including: transportation, extended day, what campers need for camp, swimming, communication, group decisions, how to address a concern, and rainy days. Attending the Parent Information meeting gives parents an opportunity to ask their questions, so that the emphasis can be on camper questions at the Camper Orientation appointment. **Please call or email to let us know which parent meeting you'd like to attend and how many adults will be there!**

Please look online at http://www.campdiscovery.com/_PA-2-parent_handbook.html by the beginning of May to see the 2011 Discovery Parent Handbook.
