AUGUST 15 THROUGH AUGUST 19, 2011

Discovery will hold a Post Camp from August 15 to August 19. Post Camp will be a small, multi-aged program (kindergarten and up) including free swim, sports, arts & crafts, drama, and climbing wall. One day Discovery will provide a special lunch. The program is a great way for the campers to have a fun and relaxing week before going back to school. Enrollment is limited to about 15 campers and available on a first come, first serve basis.

There is no bus service during post camp. Campers can attend camp from 9 to 3 each day or for the extended day (7:30 AM to 6:00 PM).
