

## **TRANSPORTATION OPTIONS**

### **BUS SERVICE**

We offer door to door busing to camp families. Children are driven, by our staff, on small, air-conditioned vehicles. A bus captain gets off at each stop to greet campers and help them onto and off of the bus. The bus captain makes sure each child is wearing a seat belt.

Campers are able to participate in a variety of fun activities going to and from camp including: singing, games, planning for Go Group events, and activities from our bus box. The bus groups are a great way for campers to feel connected to an additional group of children at camp.

Bus routes are determined by location and length of route. In general, the first camper on a bus is the first off.

### **CARPOOL**

Families can elect to drive their campers to and from camp instead of participating in door to door transportation. Morning drop-off is between 8:40 and 8:55 a.m. Afternoon pick-up is from 3:15 to 3:30 p.m.

To assure campers' safety, children arriving via car are signed in and escorted from the vehicle to an appropriate location. In the afternoon, campers wait with staff members on our front porch. When their vehicle arrives, campers go to a designated cone where they are helped into their vehicle.

Due to the number of families who carpool, there is typically a wait for parents in cars in both the morning and afternoon.

### **EXTENDED DAY**

For working families, we offer an extended camp day. Drop-off begins at 7:30 a.m. and pick up is by 6:00 p.m. Our experienced staff supervises your camper. Children participate in a range of activities including: an additional after-camp free swim, arts & crafts, drama, sports, and more. Parents drop-off and pick-up at camp. Extended day can be combined with bus service. Please call for more information.
