Transportation Options

Camp with Bus Service

We offer door to door busing to camp families. Children are driven, by our staff, on small, air-conditioned buses. Campers are able to participate in a variety of fun activities going to and from camp including: singing, games, planning for Go Group events, and activities from our bus box. The bus groups are a great way for campers to feel connected to an additional group of children at camp. Bus routes are determined by location and length of route.

Standard Camp

Families can elect to drive their campers to and from camp instead of participating in door to door transportation. Morning drop-off is between 8:40 and 8:55 a.m. Afternoon pick-up is from 3:10 to 3:20 p.m. To assure campers' safety, children are signed in and out as they are escorted to or from their vehicle. Due to the number of families who drive their children for a standard day, there is typically a wait for parents in cars in both the morning and the afternoon. Carpooling is encouraged.

Extended Day

For additional flexibility, we offer extended day programs in the morning and afternoon. Drop-off begins at 7:30 a.m. and pick up is by 6:00 p.m. Children participate in a range of activities including: an additional after-camp free swim, arts & crafts, drama, sports, and more. Parents drop-off and pick-up at camp. Please call for information on how to customize options for your family.
