## Transportation Options

### Camp with Bus Service

We offer door to door busing to camp families. Campers are driven, by our staff, on small, air-conditioned buses. Campers are able to participate in a variety of fun activities going to and from camp including: singing, games, planning for Go Group events, and activities from our bus box. The bus groups are a great way for campers to feel connected to an additional group of campers at camp. Bus routes are determined by location and length of route.

### Standard Camp

Families can elect to drive their campers to and from camp instead of participating in bus service. Morning drop-off is between 8:40 and 8:55 a.m. Afternoon pick-up is from 3:10 to 3:20 p.m. To assure campers' safety, children are signed in and out as they are escorted to or from their vehicle. Due to the number of families who drive their children for a standard day, there is typically a wait for parents in cars in both the morning and the afternoon. Carpooling is encouraged.

### Extended Day

For additional flexibility, we offer extended day programs in the morning and afternoon. Drop-off begins at **7:30 a.m.** and pick up is by **6:00 p.m.** Campers participate in a range of activities including: an additional after-camp free swim, arts & crafts, drama, sports, and more. Parents drop-off and pick-up at camp. Please call for information on how to customize options for your family.
